

Mangos for Max by Dr Jessica St.Louis

In nearly every classroom across America there are children with food allergies. This new book by Dr. Jessica St. Louis introduces the concept of food allergies in a way that is both fun and educational. It follows the adventures of Max, a young boy who has a food allergy, as he navigates school and social situations. The book is written in a simple, engaging style that is easy for young readers to understand. It includes colorful illustrations that help to bring the story to life. The book is a great resource for parents, teachers, and children alike who want to learn more about food allergies and how to manage them. It is a message that is both informative and entertaining, and it is a book that every child should have in their library.
